Water: A Novel By Bapsi Sidhwa

The renowned author Bapsi Sidhwa and the equally renowned filmmaker Deepa Mehta share a unique artistic relationship: Mehta adapted Sidhwa's novel *Cracking India* for her brilliant film *Earth*, and here, Sidhwa adapts Mehta's controversial film *Water* to the printed page.

Set in 1938, against the backdrop of Gandhi's rise to power, *Water* follows the life of eight-year-old Chuyia, abandoned at a widow's ashram after the death of her elderly husband. There, she must live in penitence until her death. Unwilling to accept her fate, she becomes a catalyst for change in the widows's lives. When her friend Kalyani, a beautiful widow-prostitute, falls in love with a young, upper-class Gandhian idealist, the forbidden affair boldly defies Hindu tradition and threatens to undermine the ashram's delicate balance of power. This riveting look at the lives of widows in colonial India is ultimately a haunting and lyrical story of love, faith, and redemption.

Review

"Sidhwa's humor and compassion glow in Water." -- *Houston Chronicle, June 9, 2006*

Users Review

From reader reviews:

Joseph Asher:

In this 21st centuries, people become competitive in every single way. By being competitive at this point, people have do something to make these people survives, being in the middle of the actual crowded place and notice by surrounding. One thing that at times many people have underestimated the item for a while is reading. Yes, by reading a reserve your ability to survive enhance then having chance to endure than other is high. In your case who want to start reading a new book, we give you this particular Water: A Novel book as starter and daily reading book. Why, because this book is greater than just a book.

Charles Edwards:

People live in this new day time of lifestyle always attempt to and must have the spare time or they will get wide range of stress from both daily life and work. So , when we ask do people have time, we will say absolutely yes. People is human not really a robot. Then we question again, what kind of activity are there when the spare time coming to anyone of course your answer will certainly unlimited right. Then ever try this one, reading guides. It can be your alternative throughout spending your spare time, the particular book you have read is usually Water: A Novel.

Catherine Estey:

Your reading 6th sense will not betray a person, why because this Water: A Novel e-book written by well-known writer we are excited for well how to make book that can be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your personal hunger then you still hesitation Water: A Novel as good book but not only by the cover but also by content. This is one publication that can break don't evaluate book by its include, so do you still needing one more sixth sense to pick this!? Oh come on your examining sixth sense already told you so why you have to listening to another sixth sense.

Delois Dionisio:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many problem for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book but novel and Water: A Novel or others sources were given

understanding for you. After you know how the good a book, you feel wish to read more and more. Science publication was created for teacher or students especially. Those publications are helping them to bring their knowledge. In additional case, beside science e-book, any other book likes Water: A Novel to make your spare time much more colorful. Many types of book like here.
