Editorial Review

About the Author

Fyodor Mikhailovich Dostoyevsky (11 November 1821 - 9 February 1881), sometimes transliterated Dostoevsky, was a Russian novelist, short story writer, essayist, journalist and philosopher. Dostoyevsky's literary works explore human psychology in the troubled political, social, and spiritual atmosphere of 19th-century Russia, and engage with a variety of philosophical and religious themes. He began writing in his 20s, and his first novel, *Poor Folk*, was published in 1846 when he was 25. His major works include *Crime and Punishment* (1866), *The Idiot* (1869), *Demons* (1872) and *The Brothers Karamazov* (1880). His oeuvre consists of 11 novels, three novellas, 17 short novels and numerous other works. Many literary critics rate him as one of the greatest psychologists in world literature. His 1864 novella *Notes from Underground* is considered to be one of the first works of existentialist literature. Born in Moscow in 1821, Dostoyevsky was introduced to literature at an early age through fairy tales and legends, and through books by Russian and foreign authors. His mother died in 1837 when he was 15, and around the same time he left school to enter the Nikolayev Military Engineering Institute. In the following years, Dostoyevsky worked as a journalist, publishing and editing several magazines of his own and later *A Writer's Diary*, a collection of his writings. He began to travel around western Europe and developed a gambling addiction, which led to financial hardship. For a time, he had to beg for money, but he eventually became one of the most widely read and highly regarded Russian writers. His books have been translated into more than 170 languages. Dostoyevsky influenced a multitude of writers and philosophers, from Anton Chekhov and Ernest Hemingway to Friedrich Nietzsche and Jean-Paul Sartre.

Users Review

From reader reviews:

Evelina Soria:

What do you with regards to book? It is not important with you? Or just adding material when you need something to explain what the ones you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to complete others business, it is make one feel bored faster. And you have free time? What did you do? All people has many questions above. They must answer that question mainly because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this specific Crime and Punishment (Vintage Classics) to read.
