Impulse (Jumper Book 3) By Steven Gould

Steven Gould returns to the world of his classic novel *Jumper* in the thrilling sequel *Impulse*.

Cent has a secret. She lives in isolation, with her parents, hiding from the people who took her father captive and tortured him to gain control over his ability to teleport, and from the government agencies who want to use his talent. Cent has seen the world, but only from the safety of her parents' arms. She's teleported more than anyone on Earth, except for her mother and father, but she's never been able to do it herself. Her life has never been in danger.

Until the day when she went snowboarding without permission and triggered an avalanche. When the snow and ice thundered down on her, she suddenly found herself in her own bedroom. That was the first time.

Editorial Review

From School Library Journal

Gr 8 Up-This addition to the series is the first one marketed to young adults. It stands strongly on its own, but will encourage teens to pick up *Jumper* (1992) and *Reflex* (2004, both Tor) as well as seek out the 2008 film, *Jumper*, based on the first book. Sixteen-year-old Cent has spent her life in isolation, hiding from the people who are looking to kidnap and control her father and his ability to jump from place to place via teleportation. Although she has been able to travel the world by "jumping" with her parents, her entire existence is a secret, and she has never been able to go to school or have friends. This all changes when she is caught in an avalanche and suddenly ends up back in her own bedroom. Cent is a jumper, too. No longer able to protect her, her parents allow her to assume a false name, set down roots, and attend school, where she makes friends and finds her first love. But what happens when her identity is discovered and her family is suddenly in grave danger? A great science-fiction story that holds up to classic adult/YA crossovers, this is a must-read for any fans of the genre. With a strong female protagonist, interesting secondary characters, a bit of romance, some humor, and loads of action and adventure, *Impulse* will keep readers engaged from start to finish.-Sharon McKellar, Oakland Public Library, CA(c) Copyright 2011. Review

"*Jumper* [is] one of those rare books that can be read as a YA or a book for adults; like *Ender's Game* or vintage Heinlein." ?*Cory Doctorow*

"*Reflex* is a fun, fast-paced novel... You don't need to have read *Jumper* to enjoy the new novel, but all three of the books mentioned here are highly recommended." ?*Charles de Lint, The Magazine of Fantasy & Science Fiction*

About the Author

Steven Gould is the author of *Jumper*, *Wildside*, *Helm*, *Blind Waves*, *Reflex*, and *Jumper: Griffin's Story*, as well as many short stories. He is the recipient of the Hal Clement Young Adult Award for Science Fiction and has been on the Hugo ballot twice and the Nebula ballot once for his short fiction, but his favorite distinction was being listed among the American Library Association's Top 100 Banned Books of 1990–1999. "Jumper was right there at number 94 between Stephen King's *Christine* and a nonfiction book on sex education." Steve lives in New Mexico with writer Laura J. Mixon and their two daughters. As he is somewhere between birth and death, he considers himself to be middle-aged.
