Mark of Qayin By Asha Shedim

The Lilin Society exists as an esoteric order which teaches Satanic Gnosticism. It exists with the aim to evolve the spirit of mankind into a new species. It stands in opposition against causal abstractions such as government, religion and education. As Satanists we should walk the sinister path. We should personify our dark lord through sorcery as well as actions. This book contains some of the teachings of the Lilin Society. Offering its philosophy as well as its rituals, this book will give you a deeper understanding as to how and why sorcery works. It will help you understand how it can be used to evolve the spirit and break the shackles of cosmic bondage, thus bringing an end to all creation
