MERMEN (The Mermen Trilogy Book 1) By Mimi Jean Pamfiloff

~~~~~From *New York Times* Bestseller, Mimi Jean Pamfiloff ~~~~~  
**These Evil Mermen Don't Have Tails, They're Deadly as Hell, and They've Got Something He Wants...**

INFAMOUS BACHELOR and SELF-MADE BILLIONAIRE ROEN DORAN IS A BASTARD. Yes, he knows it. And no, he doesn't care. He's got money and power, and he depends on no one. But when his estranged father dies, willing him a secret island, Roen will come face to face with an even bigger secret: its occupants. And these savage, sea-obsessed warriors are quick to make their position clear: Leave now or die.

There's only one problem. Nobody tells Roen what to do. Ever. Oh, and one other thing. He's just met the island's other new "guest" and something about her brings out his possessive side.

SOLE SHIPWRECK SURVIVOR LIV STRATTON had been adrift at sea for ten grueling days when salvation miraculously appeared: an uncharted island. Only, the deceptively beautiful men who live there aren't interested in saving her. No, not at all. Because they somehow believe she is their property, a gift from the ocean to do with as they please. This is not good.

Her only hope? Billionaire Roen Doran, of all people. A man who's said to care for nothing and no one. But if he's so heartless, then why is he about to risk everything to help her?

**5 STARS!** "...Mimi has brought us the Accidentally Series, Happy Pants, King, and the Fate series and now she has done it again with Mermen." -Naughty Bibliophiles Blogspot.com

#### About the Author

Mimi Jean Pamfiloff is a New York Times & USA Today best-selling author of Paranormal and Contemporary Romance. Both traditionally and independently published, Mimi has sold over 500,000 books since publishing her first title in 2012, and she plans to spontaneously combust once she hits the one million mark. Although she obtained her international MBA and worked for over 15 years in the corporate world, she believes that it's never too late to come out of the romance closet and follow your dream. When not screaming at her computer or hosting her very inappropriate radio show (Man Candy Show on Radioslot.com), Mimi spends time with her two pirates in training, her loco-for-the-chili-pepper hubby, and her rat terrier, DJ Princess Snowflake, in the San Francisco Bay Area. She continues to hope that her books will inspire a leather pants comeback (for men) and that she might make you laugh when you need it most.

### Users Review

#### From reader reviews:

##### Sarah Fernandez:

Have you spare time for any day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their very own spare time to take a move, shopping, or went to the particular Mall. How about open or perhaps read a book entitled MERMEN (The Mermen Trilogy Book 1)? Maybe it is for being best activity for you. You recognize beside you can spend your time with your favorite's book, you can wiser than before. Do you agree with the opinion or you have various other opinion?

**Duane Coley:**

As people who live in typically the modest era should be up-date about what going on or details even knowledge to make them keep up with the era that is certainly always change and progress. Some of you maybe will certainly update themselves by studying books. It is a good choice in your case but the problems coming to you is you don't know which one you should start with. This MERMEN (The Mermen Trilogy Book 1) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

**Edmund Hillman:**

In this era globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. Typically the book that recommended for your requirements is MERMEN (The Mermen Trilogy Book 1) this book consist a lot of the information in the condition of this world now. That book was represented so why is the world has grown up. The language styles that writer require to explain it is easy to understand. The particular writer made some investigation when he makes this book. This is why this book suitable all of you.

**Phillip Elliott:**

That guide can make you to feel relax. This kind of book MERMEN (The Mermen Trilogy Book 1) was colorful and of course has pictures on the website. As we know that book MERMEN (The Mermen Trilogy Book 1) has many kinds or genre. Start from kids until teens. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore not at all of book usually are make you bored, any it offers you feel happy, fun and unwind. Try to choose the best book to suit your needs and try to like reading that will.
