Midnight at the Well of Souls (Well World Saga: Volume 1) By Jack L. Chalker

Welcome to the Well World: a construct of an ancient defunct race known as the Markovians. The Well World acts both as the controller of and the gateway to 1560 worlds created by the Markovians at the end of their time.

Nathan Brazil is a starship captain carrying passengers and cargo from planet to planet. Answering a distress call, he (with others) is suddenly transported to the Well World by a hidden gate.

There Nathan Brazil must stop mysterious forces from taking control of the Well World, and through the Well World, the universe. But to do so, he must deal with bizarre transformations which have changed people into centaurs, mermaids and giant insects. In this strange land, inhabited by these strange transformed creatures, who are his friends, and who are his enemies? And what of his own memories, which seem to have been deeply suppressed?

Editorial Review

Review

"A Big, bold book that takes traditional science fiction and turns it upside down!"-- Leigh Brackett

From the Inside Flap

Entered by a thousand unsuspected gateways -- built by a race lost in the clouds of time -- the planet its dwellers called the Well World turned beings of every kind into something else. There spacefarer Nathan Brazil found himself companioned by a batman, an amorous female centaur and a mermaid -- all once as human as he.

Yet Nathan Brazil's metamorphosis was more terrifying than any of those...and his memory was coming back, bringing with it the secret of the Well World.

For at the heart of the bizarre planet lay the goal of every being that had ever lived -- and Nathan Brazil and his comrades were...lucky?...enough to find it!
