By Markus A. Kassel

**Discover the Secrets to Make You TOUGHER, DEADLIER and more FEARLESS than 99% of the Population, with Volume 02 of the “Real Life Superman” Series!**

*In the world of today, learning to fight has become a vital necessity. You never know when your life or that of your loved ones might be on the line. So, you need to get prepared.*

Unfortunately, most of the clubs which are supposed to assume that role have absolutely no clue! They're no better at teaching self-defense than Zumba classes, with their useless techniques that bear no relation to how fights really happen in the street!

Practicing martial arts might give you a false sense of comfort. You may think you're safe as you know all about scrapping, right? But you're not! You're just wasting your time and drilling dangerous moves that might very well send you to your early grave! To make matters worse, regular martial arts never take the time to teach you how to deal with the fear of a confrontation. As a result, when you finally get into a heated argument, you end up “losing it” despite your years of training! You end up like a little child who's about to get his butt spanked!

**You need to read this book if you want to learn how to handle any adversary quickly and effectively.**

**You need to read this book if you want to tame your fears and not let them**

**control you.**

No matter your background, this book will take you by the hand and show you how to train to become as dangerous with your fists as if you had bricks attached to them!

## **Stop Wasting Your Time – Learn How to REALLY Train to Turn Into a Killing Machine!**

*“Real Life Superman – Volume 02” will teach you the fastest way to developing a quick, powerful and indestructible body in less than 100 days. Guaranteed!* It will reveal a step-by-step plan where each step builds upon the previous one so as to leave NO STONES UNTURNED. While it’s nice to know a few moves to show off in front of your friends, to **overcome any opponent** you will need to **cover all bases**.

That’s what this program will take care of, by showing you:

- Which strikes to favor and which to leave out;
- **The most effective exercises for building incredible hitting speed and power ;**
- How to strengthen your body to take any hit and smile about it;

The only thing that still stands between you and this reality is one last step...
