Smoke By Ellen Hopkins

Pattyn's father is dead. Now she's on the run in this riveting companion to *New York Times* bestseller *Burned*, which *Kirkus Reviews* calls "a strong, painful, and tender piece about wresting hope from the depths of despair."

Pattyn Von Stratten's father is dead, and Pattyn is on the run. After far too many years of abuse at the hands of her father, and after the tragic loss of her beloved Ethan and their unborn child, Pattyn is desperate for peace. Only her sister Jackie knows what happened that fatal night, but she is stuck at home with their mother, who clings to normalcy by allowing the truth to be covered up by their domineering community leaders. Her father might be finally gone, but without Pattyn, Jackie is desperately isolated.

Alone and in disguise, Pattyn starts a new life as a migrant worker on a California ranch. But is it even possible to rebuild a life when everything you've known has burned to ash and lies seem far safer than the truth?

Bestselling author Ellen Hopkins continues the riveting story of Pattyn Von Stratten she began in *Burned* to explore what it takes to rise from the ashes, put ghosts to rest, and step into a future.

Editorial Review

From [Booklist](#)

In her poetic sequel to *Burned* (2006), Hopkins pays homage to the old adage “The truth shall set you free.” In haunting memories, Pattyn and younger sister Jackie return to the horrifying scene of their father’s murder: Caleb’s rape of Jackie, their father’s discovery of the crime and his brutal beating of his violated daughter, and Pattyn’s gunpoint threat. Now Pattyn is on the run, disguised as a California migrant farm worker, while Jackie is a pariah in church, at school, and in her mother’s eyes. Hopkins’ riveting story line is full of the perpetual premonition of danger, and the simple free-verse format belies the complexity of both plot and craft. The poems are sparse, each word and phrase carefully chosen, each line and stanza designed to convey both girls’ desperation and resilience. Each sees herself as damaged and unlovable; each harbors guilt and hate for the father who physically beat her and the mother who emotionally betrayed her. Hopkins also tackles issues of immigration, homosexuality, bullying, Mormon extremism, and America’s shadowy antigovernment militia, making for a compelling and thought-provoking read. **HIGH-DEMAND BACKSTORY:** Hopkins is a number-one New York Times best-selling author, and her fan base is huge, huge, huge. Grades 9-12. --Frances Bradburn

Review

"A strong, painful and tender piece about wresting hope from the depths of despair." (*Kirkus Reviews*)

"Hopkins' riveting story line is full of the perpetual premonition of danger, and the simple free-verse format belies the complexity of both plot and craft...a compelling and thought-provoking read." (*Booklist*)

"The book is rife with real issues and demanding attention, leaving the reader to realize that when the smoke clears, redemption is always possible. In the end, voices are heard that refuse to be silenced and the empowerment that comes with the character’s decisions transcend the page and leave much to be discussed and contemplated among readers." (*VOYA, starred review*)

"Hopkins’s fans should and will clamor for this sequel." (*School Library Journal*)

About the Author

Ellen Hopkins is the #1 *New York Times* bestselling author of eleven young adult novels, as well as the adult novels *Triangles*, *Collateral*, and *Love Lies Beneath*. She lives with her family in Carson City, Nevada, where she has founded Ventana Sierra, a nonprofit youth housing and resource initiative. Users Review

From reader reviews:

Roy Myers:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each publication has different aim or goal; it means that guide has different type. Some people feel enjoy to spend their time and energy to read a book. They can be reading whatever they acquire because their hobby will be reading a book. Think about the person who don't like studying a book? Sometime, person feel need book after they found difficult problem or exercise. Well,

probably you should have this Smoke.

Abel Mulholland:

Book is usually written, printed, or created for everything. You can understand everything you want by a book. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading proficiency was fluently. A reserve Smoke will make you to become smarter. You can feel far more confidence if you can know about everything. But some of you think that open or reading some sort of book make you bored. It is not make you fun. Why they are often thought like that? Have you searching for best book or appropriate book with you?

Richard Moultrie:

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The details you get based on what kind of e-book you read, if you want get more knowledge just go with training books but if you want sense happy read one having theme for entertaining like comic or novel. The actual Smoke is kind of guide which is giving the reader unforeseen experience.

Danny Solberg:

Your reading 6th sense will not betray you actually, why because this Smoke e-book written by well-known writer we are excited for well how to make book that can be understand by anyone who read the book. Written throughout good manner for you, leaking every ideas and publishing skill only for eliminate your current hunger then you still hesitation Smoke as good book not only by the cover but also with the content. This is one publication that can break don't judge book by its protect, so do you still needing one more sixth sense to pick this particular!? Oh come on your studying sixth sense already alerted you so why you have to listening to an additional sixth sense.
