Spurgeon on Leadership: Key Insights for Christian Leaders from the Prince of Preachers By Larry J. Michael

Matt Perman, NINE BOOKS ON LEADERSHIP (The Gospel Coalition)

2. *Spurgeon on Leadership*, Larry Michael

A highly readable and very insightful primer on leadership based on the fundamentals of how Spurgeon led. It therefore has the best of both worlds: it covers the main areas of leadership from an explicitly Christian perspective. This book covers a lot of helpful ground, from competence and confidence to calling and character; casting vision and building commitment to leading with creativity and compassion. It also covers leading despite criticism and conflict and dealing with illness and depression--looking at all these things from the lens of how Spurgeon led.

Review

I highly recommend this book to all serious students of leadership! (John C. Maxwell *Founder of the INJOY Group*)

I'm thrilled that Larry Michael's wonderful and insightful new book will introduce a new generation to Spurgeon's model of leadership. (Pastor Rick Warren *Author of Purpose Driven Life*)

Pastors should have [this book] on their shelves, but more importantly, in their hands to read. (*MARBC Messenger*)

This is an outstanding work that should be read...by every pastor and those who aspire to spiritual leadership. It is one of the most outstanding contributions to the literature of spiritual leadership. (*Narnia3.com/review*)

"Michael's work is a more thorough examination of the outworking of Spurgeon's practical leadership philosophy and practice. This reviewer cannot recommend it highly enough." (Dennis M. Swanson *The Master's Seminary Journal*)

"Here is a welcomed relief from the CEO style of pastoral leadership popular in our day. Spurgeon...will insist that you live in the trenches, bear the burdens of your people, preach from the pew, and pay the price for a ministry that is not compromised by the winds of the times." (Richard L. Dresselhaus, D. Min. *Enrichment*)

"Spurgeon's leadership (is) examined in 12 chapters with helpful summaries at the end of each chapter. What follows will be a series that highlights the insights of what Michael discovered in his study of this great servant... I was blessed. I pray you will be as well!" (Danny Akin blog, President, SEBTS, *betweenthetimes.com*)
