2012 Medical Management of HIV Infection By John G. Bartlett, M.D., Joel E. Gallant, M.P.H., Paul A. Pham, Pharm. D.

MMHIV is the world's leading resource for physicians and health care professionals who provide care and treatment to patients with HIV/AIDS. The 16th Edition of MMHIV has summarized evidence from every major conference and clinical study in the past 2 years, includes 214 tables and more than 900 references to publications or presentations. This distillation of best practices and a new, smarter index makes this the best reference guide to date.
