### **Editorial Review**

#### **Review**

'Georgina Adam expertly unpicks the oblique machinations of the art market with a deft hand and a clear voice to reveal an intoxicating world of glamour, greed and fine art.' Will Gompertz, BBC Arts Editor The joy of this book comes from Adam's way of using eye witness descriptions of some of the art world's high stakes events as a way of making some very serious points about the workings of the market today (Melanie Gerlis, *The Art Newspaper*) The first book by Georgina Adam [...] has been eagerly anticipated and does not disappoint. Who else could write as engagingly and informatively about the art market that has grown around her these past 30 years? (Melanie Gerlis, *The Art Newspaper*) Formerly dusty auction houses have become luxury brands, collectors have become tastemakers. On the tiller of the boat navigating these hostile waters, Adam's is the surest hand (Monocle, October, 2014) 'A well-written narrative with anecdotes and data peppered throughout, *Big Bucks* is a must for contemporary museum libraries and academic libraries serving studio art curricula. Summing Up: Highly recommended. Lower-level undergraduates through graduate students; general readers.' Choice
