Claimed: A Club Sin Novel (Club Sin series Book 1) By Stacey Kennedy

"Claimed sucked me in! Stacey Kennedy weaves together the intense BDSM lifestyle with the soft touch of a sweeter, more traditional love story in a novel with an engaging heroine at its heart."**--J. Kenner, New York Times bestselling author of Release Me**

A novel of erotic discovery and forbidden desire that goes beyond Fifty Shades of Grey.

Presley Flynn is ripe to experience her secret fantasies . . . and Dmitri Pratt wants nothing more than to fulfill them. Once inside the elite Club Sin in Las Vegas, Presley is nervous but excited--and determined to surrender to her every desire. Dmitri is her Master, and his touch is like fire. With each careful, calculated caress, he unleashes her wildest inhibitions, giving her unimagined pleasure.

Presley is different than the other submissives Dmitri has mastered. The BDSM lifestyle is new to her, and so are the games they play at Club Sin. From the start, Presley stirs emotions in Dmitri far beyond the raw purity between a dom and the perfect sub. For the ecstasy they share goes beyond the dungeon, igniting a passion that claims the very depths of the heart.

Claimed is an erotic romance intended for mature audiences.
