Editorial Review

About the Author

Dr. Gary Parker, a former non-Christian and evolutionist, joined the staff of Answers in Genesis in 1996 as senior lecturer. For 12 years he served on the science faculty of the Institute for Creation Science in San Diego, California. He has published ten textbooks, lectured worldwide on creation, and appeared in numerous films and on television.

Users Review

From reader reviews:

Aaron Tyler:

The book Creation: Facts of Life (Revised & Updated) can give more knowledge and also the precise product information about everything you want. So why must we leave a very important thing like a book Creation: Facts of Life (Revised & Updated)? Wide variety you have a different opinion about book. But one aim that book can give many info for us. It is absolutely right. Right now, try to closer together with your book. Knowledge or facts that you take for that, you could give for each other; you may share all of these. Book Creation: Facts of Life (Revised & Updated) has simple shape nevertheless, you know: it has great and large function for you. You can look the enormous world by open up and read a book. So it is very wonderful.

Hester Crutchfield:

What do you about book? It is not important to you? Or just adding material if you want something to explain what the one you have problem? How about your spare time? Or are you busy man? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They should answer that question mainly because just their can do that. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need this particular Creation: Facts of Life (Revised & Updated) to read.

Andre Rosier:

Nowadays reading books be a little more than want or need but also be a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The info you get based on what kind of e-book you read, if you want get more knowledge just go with schooling books but if you want truly feel happy read one having theme for entertaining such as comic or novel. Typically the Creation: Facts of Life (Revised & Updated) is kind of book which is giving the reader unstable experience.

Craig Nazario:

Is it an individual who having spare time subsequently spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Creation: Facts of Life (Revised & Updated) can be the respond to, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
