Crime and Everyday Life By Marcus K. Felson, Rachel Boba Santos

Crime and Everyday Life, Fourth Edition, provides an illuminating glimpse into roots of criminal behavior, explaining how crime can touch us all in both small and large ways. This innovative text shows how opportunity is a necessary condition for crime to occur, while exploring realistic ways to reduce or eliminate crime and criminal behavior by removing the opportunity to complete the act. Encouraging students to take a closer look at the true nature of crime and its effects on their lives, author Marcus Felson and new co-author Rachel L. Boba (an expert on crime prevention, crime analysis and mapping, and school safety) maintain the book's engaging, readable, and informative style, while incorporating the most current research on criminal behavior and routine activity theory. The authors emphasize that routine daily activities set the stage for illegal acts, thus challenging conventional wisdom and offering students a fresh perspective, novel solutions for reducing crime . . . and renewed hope.

New and Proven Features

- Includes new coverage of gangs, bar problems, and barhopping; new discussion of the dynamic crime triangle; and expanded coverage of technology, Internet fraud, identity theft, and other Internet pitfalls
- The now-famous “fallacies about crime” are reduced to nine and are organized and explained even more clearly than in past editions
- Offers updated research on crime as well as new examples of practical application of theory, with the most current crime and victimization statistics throughout
- Features POP (Problem-Oriented Policing) Center guidelines and citations, including *Closing Streets and Alleys to Reduce Crime*, *Speeding in Residential Areas*, *Robbery of Convenience Stores*, and use of the *Situational Crime Prevention Evaluation Database*
- Updated “Projects and Challenges” at the end of each chapter

Editorial Review

Review

"Crime and Everyday Life is short, easy to read, useful in a classroom setting, well organized, and logical in its presentation. It adds to the literature on criminology and gives validity to routine activities theory as a cogent and up-to-date explanation of crime. Whether fueling wide-ranging discussions on theory building, illustrating the practical application and usefulness of crime theory to everyday life, dispelling myths that limit hypothesizing and obscure fundamental truths about offending, or just offering consumers "a good read", the book speaks definitively to the issue of crime causation." (E. Frances Rees 2007-01-18)

About the Author

Marcus Felson is the originator of the routine activity approach and of *Crime and Everyday Life*. He has also authored *Crime and Nature*, and serves as a professor at Texas State University. . He has a B.A. from University of Chicago, an M.A. and Ph.D. from the University of Michigan, and has received the 2014 Honoris Causa from the Universidad Miguel Hernandez in Spain. Professor Felson has been given the Ronald Clarke Award by the Environmental Criminology and Crime Analysis group, and the Paul Tappan Award of the Western Society of Criminology. He has been a guest lecturer in Argentina, Australia, Belgium, Brazil, Canada, Chile, China, Denmark, El Salvador, England, Finland, France, Germany, Hong Kong, Hungary, Italy, Japan, Mexico, the Netherlands, New Zealand, Norway, Poland, Scotland, Spain, South Africa, Sweden and Switzerland. He has applied routine activity thinking to many topics, including theft, violence, child molesting, white collar crime, and corruption.

Rachel Boba Santos is an associate professor at Florida Atlantic University in the School of Criminology and Criminal Justice. She works with police departments and conducts research on police accountability, the effectiveness of crime reduction efforts by police, and crime analysis.

Users Review

From reader reviews:

Frances Carpenter:
