Criminal Law: Case Studies and Controversies, Third Edition (Aspen Casebooks) By Paul H. Robinson

Brings an innovative approach to case analysis, statutory interpretation, and applying the principles of criminal law.

- **Uses an innovative case studies method.** Each topic area includes a detailed story about the people and events leading up to the offense.
- **Includes 120 photographs** related to the crimes.
- **--Core opinions ""of central historical, theoretical, or doctrinal importance""** are provided in each subject-area section.
- **Includes provocative and timely principal cases from a wide variety of jurisdictions**, each followed by the statutes that existed in the jurisdiction at the time of the offense.
- **Reproduces any court opinions** in the case, so teachers can compare their in-class legal analysis to how the case was resolved in real life.
- **Treatise-like summary of law in each topic area** gives students an overview of the law, introduces the underlying theoretical principles, and provides context.
- **Real world problem cases test students' mastery** of the legal summaries and an important vehicle for class discussions.
- **Each section identifies issues of current controversy** and an **advanced issues appendix includes excerpts from the literature on each side of the issue.**

New to the Third Edition

- **Updating and adding to many of the overview sections** to reflect changes in law and to add topical issues
- **Editing the story narratives** for a cleaner read and clearer presentation of the facts
- **Selective revisions to the issues and materials** as suggested by Robinson's own teaching and the comments of users
- **Adding new material** on the selected topics, such as **restorative justice, suicide and assisted suicide, possession offenses, corporate criminality**

child pornography, computer fraud, identity theft, illegal prescription drugs, and cyberbullying, common law concepts of ""general intent"" and ""specific intent""
