## Cursive Handwriting Practice Workbook for Teens By Julie Harper

This workbook, *Cursive Handwriting Practice Workbook for Teens*, is designed to inspire teens' interest in learning and practicing cursive handwriting. Teens enjoy writing sentences like "**Wizard school is so cool**," and, "**Talk to you later**." Exercises like these help to make learning fun, even at home. This unique teenage handwriting workbook provides teens who need to improve their cursive writing fluency a chance to do it with a more age appropriate workbook (since the sentences were prepared with a teenage audience in mind).

**Note:** For teens who need more advanced handwriting practice (with a smaller font size and narrower lines, and without tracing exercises), Julie Harper also has a more advanced cursive handwriting workbook for teens: *Advanced Cursive Handwriting Practice Workbook for Teens* (ISBN 1523234598).

This workbook focuses on writing phrases and sentences in cursive in three parts:

- Students practice tracing and copying phrases and sentences in Part 1.
- Part 2 just involves copying (with no tracing).
- A challenge is presented in Part 3: The sentences are printed, and students must rewrite them in cursive. This requires students to remember what the cursive letters look like (though they can look at a chart on pages 5-6 if they need a reminder).

May your students or teenagers improve their handwriting skills and enjoy reading and writing these phrases and sentences.
