### Gideon's Redemption By Maddie Taylor

Shannon Hughes' worst nightmare comes true when her rock star boyfriend, Gideon Eli, appears to be cheating on her. Upon learning that she is pregnant with Gideon's baby, she hopes to salvage a friendship, but those hopes are quickly dashed after she receives from Gideon's manager a check for \$25,000 and a note telling her to move on and leave Gideon alone. Seeing no other choice, she starts out on her own as a heartbroken single mother.

It is not until nine years later, when a chance encounter brings her together with Gideon once more, that Shannon learns the truth. She discovers that their split was based on a terrible misunderstanding, but worst of all, the situation was made possible by her lack of trust in Gideon. Resolved to make them a family after all, he promises that nothing will tear them apart again because things will be different this time. This time, he will be in charge.

Her world is turned upside down when she begins her new life in Gideon's plush Malibu beach house, and Shannon soon realizes that Gideon's dominance is very real. That dominance includes the frequent baring of her bottom for a sound spanking, but even after he has spanked her hard and long and assured her that he forgives her, Shannon's remorse for the nine years she spent away from him is almost too much for her to handle. Can Shannon forgive herself, move on, and begin to live a full and joyous life again, or will the scars of the past never heal?

Publisher's Note: Gideon's Redemption is an erotic romance novel that includes spankings, anal play, graphic sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
