### God Is Not a Christian, Nor a Jew, Muslim, Hindu...: God Dwells with Us, in Us, Around Us, as Us By Carlton Pearson

The author of *The Gospel of Inclusion* continues to rouse organized religion as he raises controversial issues and provides enlightening answers to the deepest questions about God and faith.

What is God? Where is God? Who is the one true God? Questions such as these have driven a thousand human struggles, through war, terrorism, and oppression. Humanity has responded by branching off into multiple religions, including Christianity, Judaism, Islam—each one pitted against the other. But it doesn't have to be that way.

In *God Is Not a Christian, nor a Jew, Muslim, Hindu . . .*, the provocative and acclaimed Bishop Carlton Pearson follows up on his celebrated first book, *The Gospel of Inclusion*, to tackle these questions and many more, exploring new ideas about God and faith and putting forth the stunning assertion that God belongs to no particular religion but is an ever-loving presence available to all. For these beliefs, Bishop Pearson lost his thriving Pentecostal ministry but was catapulted instead into a greater pulpit. His readership has grown through appearances on national television and an extensive speaking schedule. With the world in the midst of a holy war, there is no better time for the wisdom of Bishop Pearson to reach a global audience.

Bishop Pearson's many loyal fans, along with new readers, will surely welcome this provocative and eye-opening exploration of a deeper faith, one that goes far beyond any fundamentalist way of thinking, be it Christian, Jewish, Muslim, Hindu, etc. Simply put, Bishop Pearson dares to tell the truth so many others are too afraid to face.

### Editorial Review

From Publishers Weekly

Starred Review. Many readers will recognize Pearson as the one-time protégé of Oral Roberts and himself a dynamic and popular preacher ordained by the Church of God in Christ. Pearson fell out of favor when he openly advocated a universalist approach to salvation and was subsequently disowned by Roberts and by virtually every other evangelical or Pentecostal he had worked with. In this stirring and surprising work, Pearson goes the next step, completely distancing himself from his Pentecostal roots and aligning himself with the New Thought movement, an American spiritual philosophy that emphasizes the power of thought to affect circumstances. The author's passion jumps off each page as he attempts to guide his readers along the tortuous path that led and informed him. He argues for an open and loving faith experience, as opposed to the "cult of myths and secret rites of initiation" that he perceives Christianity to have become. Pearson will anger his old friends with this book, but he will likely make some new friends as they join him in his quest for spiritual clarity.

### Review

"At the heart of this remarkable book is a compassionate voice offering wisdom-guided revelations from Bishop Pearson's own inner exploration of scripture, the nature of God, and the realities of human existence." -- Michael Bernard Beckwith, author of *Spiritual Liberation~Fulfilling Your Soul's Potential*
