Higher: 100 Years of Boeing By Russ Banham

Over the course of a century, the Boeing Company has grown from a small outfit operating out of a converted boathouse—producing a single pontoon plane made from canvas and wood—into the world's largest aerospace company. The thrilling story of the celebrated organization is one filled with ambition, ingenuity, and a passion to exceed expectations. In this lavishly illustrated book, published to coincide with Boeing's 100th anniversary, Pulitzer Prize–nominated author Russ Banham recounts the tale of a company and an industry like no other—one that has put men on the moon, defended the free world, and changed the way we live.
