Maurizio Cattelan: All By Nancy Spector

An updated edition of the definitive monograph on Maurizio Cattelan-- provocateur, prankster and tragic poet of our times

The Guggenheim Museum's sold-out publication *Maurizio Cattelan: All* is returning to print. Hailed as a provocateur, prankster and tragic poet of our times, Maurizio Cattelan (born 1960) has created some of the most unforgettable images in contemporary art--most notoriously "The Ninth Hour" (1999), a sculpture of Pope John Paul II struck by a meteorite. Derived from popular culture, history and organized religion, Cattelan's subjects range widely, and his work, while bold and irreverent, is deadly serious in its scathing cultural critiques.

The second edition of *All* updates the catalogue that accompanied the Solomon R. Guggenheim Museum's 2011–12 retrospective survey of the artist. For this exhibition, Cattelan sidestepped the totalizing effect of a retrospective by devising a site-specific installation in which his entire oeuvre was suspended from the oculus of the museum's iconic rotunda. This book offers an equally unique response to the conventions of the catalogue. It is a faux-leatherbound hardcover with gold stamping and thin paper that is designed to resemble an old textbook or bible. The volume details almost every work of Cattelan's from the late '80s to the present within a double-column page format, featuring full-color reproductions and accompanying entries.

The revised edition describes the artist's return to art making after a five-year "retirement" with a special, ongoing project opening at the Guggenheim in May 2016. It also features a redesigned cover and installation images of the exhibition *All*. Nancy Spector has augmented her critical overview of Cattelan--which documents not only his artistic output but also his ongoing activities as a curator, editor and publisher--with a new coda. Since its original publication, *All* has become the Cattelan bible, and this revised edition exploring the latest chapter of the artist's influential career ensures it will remain the definitive source on his work for years to come.

Users Review

From reader reviews:

Michael Pauls:

What do you ponder on book? It is just for students as they are still students or the idea for all people in the world, the particular best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby for each and every other. Don't to be compelled someone or something that they don't want do that. You must know how great along with important the book Maurizio Cattelan: All. All type of book could you see on many solutions. You can look for the internet resources or other social media.

Shannon Lynch:

What do you concerning book? It is not important along? Or just adding material when you need something to explain what the ones you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everyone has many questions above. They have to answer that question mainly because just their can do which. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need this specific Maurizio Cattelan: All to read.

Daryl Pena:

This Maurizio Cattelan: All is great reserve for you because the content which can be full of information for you who have always deal with world and possess to make decision every minute. That book reveal it details accurately using great plan word or we can declare no rambling sentences included. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but difficult core information with beautiful delivering sentences. Having Maurizio Cattelan: All in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. active do you still doubt which?

Ron Taylor:

Reading a book being new life style in this yr; every people loves to go through a book. When you examine a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you would like get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these us novel, comics, and also soon. The Maurizio Cattelan: All provide you with a new experience in looking at a book.
