Milady Standard Cosmetology By Milady

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.

Editorial Review

Review

"Most impressively the book covers all content that the Cosmetologist will need to build a foundational career, including basic history, current concepts and future plans, along with substantial techniques in every area pertaining to Cosmetology. Secondly, I find the book to be very organized in relation to order of learning basic, intermediate, and advanced as you progress through the chapters. It is very easy to use in the school setting when starting with beginning students who have no knowledge, or with students of moderate background of the profession and continues to introduce more advanced technique as learning continues. The Chapter Outlines, Learning Objectives, and Key Terms are very organized and coincide with Chapter Subtitles and Chapter Glossary. This organization is super important to the average student who follows guides when well structured, such as this particular book."

"Left handed procedures has been done very effectively and will be a great help for left handed students."

"I really like how the procedures are broken down into smaller segments of application and procedures, they are easier to use, have clear steps and are not confusing for the students."

About the Author

The Premier Source for Education Resources in Cosmetology, Esthetics, Barbering, Nail Technology, Makeup, Massage Therapy, Salon & Spa Management and Business Training. Serving the Beauty and Wellness Industry since 1927.

Users Review

From reader reviews:

Tammi Rosado:

Here thing why this kind of Milady Standard Cosmetology are different and trusted to be yours. First of all studying a book is good however it depends in the content of the usb ports which is the content is as delicious as food or not. Milady Standard Cosmetology giving you information deeper and different ways, you can find any guide out there but there is no guide that similar with Milady Standard Cosmetology. It gives you thrill looking at journey, its open up your own eyes about the thing that happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in area, café, or even in your method home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of Milady Standard Cosmetology in e-book can be your option.

Carolyn Bailey:

Reading a guide tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth

always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this Milady Standard Cosmetology.

Betty McClanahan:

Reading a book being new life style in this year; every people loves to learn a book. When you examine a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your review, you can read education books, but if you want to entertain yourself read a fiction books, this kind of us novel, comics, in addition to soon. The Milady Standard Cosmetology will give you a new experience in examining a book.

Elmo Bragg:

Do you like reading a book? Confuse to looking for your favorite book? Or your book was rare? Why so many question for the book? But any kind of people feel that they enjoy regarding reading. Some people likes studying, not only science book but also novel and Milady Standard Cosmetology or others sources were given knowledge for you. After you know how the truly great a book, you feel want to read more and more. Science guide was created for teacher or students especially. Those publications are helping them to add their knowledge. In different case, beside science guide, any other book likes Milady Standard Cosmetology to make your spare time a lot more colorful. Many types of book like this one.
