Pride & Prejudice (Young Reading Level 3) By NILL

Pride and Prejudice, first published on 28 January 1813, is one of Jane Austen's novels, and is her second published novel. Its manuscript was initially written between 1796 and 1797 in Steventon, Hampshire, where Austen lived in the rectory. Called First Impressions, it was never published under that title, and following revisions it was retitled Pride and Prejudice.

Editorial Review

Amazon.com Review

Elizabeth Bennet is the perfect Austen heroine: intelligent, generous, sensible, incapable of jealousy or any other major sin. That makes her sound like an insufferable goody-goody, but the truth is she's a completely hip character, who if provoked is not above skewering her antagonist with a piece of her exceptionally sharp -- but always polite -- 18th century wit. The point is, you spend the whole book absolutely fixated on the critical question: will Elizabeth and Mr. Darcy hook up?

From Library Journal

Austen is the hot property of the entertainment world with new feature film versions of Persuasion and Sense and Sensibility on the silver screen and Pride and Prejudice hitting the TV airwaves on PBS. Such high visibility will inevitably draw renewed interest in the original source materials. These new Modern Library editions offer quality hardcovers at affordable prices.

Review

- "Like Irvine Welsh, I am a great admirer of Jane Austen." --Alexander McCall Smith - "Another question I've been regularly asked over the past year is what models I had in mind when writing "Curious Incident". Was it "To Kill a Mockingbird"? Was it "Catcher in the Rye"? In fact, the book most often in my mind was "Pride and Prejudice"." --Mark Haddon
