## Editorial Review

### Review

"Classic Niles, morbid, yet smart and filled with creative new twists on the horror tropes that have burrowed deep down and taken over his brains. Damien's art is a pitch-perfect pairing. Clean and fluid storytelling topped off with a healthy serving of muddy hues, expressive inking, and horrifying ghouls." –Rick Remender, Writer, *Black Science*

"The pages look like relics, the frames like long-lost pictures of a scarier time. Blood-soaked, worn by time and weather, they are as monstrous as the story being told." –*Big Comic Page*
