Spice-o-meter Rating: This fun, steamy romance features the ultimate love-triangle! It is a solid 7.5, maybe an 8, on a scale of 1 to 10, with 1 being Mild (Grandma's diary - let's hope!) and 10 being Ooh La La, I'm blushing, but I can't seem to stop turning the pages (The Fifty Shades of Grey Red Room of Pain).

In Taking Chances (the first half of this fast-paced, exciting story), we meet Abigail Brown, a 28-year-old divorcee who has never had an orgasm, much to her chagrin. Despite being self-conscious about what she considers to be her body's failings, she has built a terrific life for herself in the quaint, lakeside town of Harbor Shores, Michigan. Abby thinks that she has discovered her happily ever after ending when she stumbles upon the perfect man. Just when you think you have this book all figured out, some unexpected surprises come along and completely shake up Abby's world.

Abby needs to make some difficult decisions in the second half of her story, Making Choices. Who will she choose? Who should she choose? She has made a mess of her life. Will she be able to fix it or is it too late?

With Chances and Choices, you get both novels, combined into one terrific book. Get your copy NOW because it's a great day to relax and enjoy reading a new book that you won't want to put down!

### **About the Author**

These bios are generally rather dry, so I thought I'd shake up the format a little bit. Here are ten not-so-interesting tidbits about me: 1. I despise whipped cream. There, I admitted it in writing. Let the ridiculing begin. 2. Even though I have lived as far south as Key Largo, Florida and as far north as Maine, I landed in the middle. 3. If I don't make a conscious effort not to, I will drink nothing but tea morning, noon, and night. Hot tea, sweet tea, green tea - I love it all. 4. There doesn't seem to be much in life that is better than coming home to a big dog who is overjoyed to see me. My other family members usually show significantly less enthusiasm about my return. 5. Singing in my bestest, loudest voice does not make my family put on their happy faces. This includes the big, loving dog referenced above. 6. Yes, I am aware that bestest is not a word. 7. Dorothy was right. There's no place like home. 8. All of the numerous bottles in my shower must be lined up with their labels facing out. It makes me feel a little like Julia Roberts' mean husband from the movie 'Sleeping with the Enemy,' but I can't seem to control this particular quirk. 9. I love, love, love finding a great bargain. 10. Did I mention that I hate whipped cream? It makes my stomach churn to look at it, touch it, smell it, or even think about it. Great - now I'm thinking about it. Ick!
