Forbidden Game By Cerise Lush

“I dare you to stay in this pool, no matter what happens, until the game is over.”

It was supposed to be a Spring Break of partying with my boyfriend Mark and our friends. I was just trying to fit in, to deny the feelings I'd had all these years for Cameron, my irresistible billionaire step. There was no way I could've anticipated that jealousy would drive a wedge between me and my boyfriend, leaving me alone at the lake house with Cameron all weekend.

When secrets begin coming out during what was supposed to be an innocent game of truth or dare, I quickly learn that I wasn't the only one with forbidden desires. The real question is: **how far will the dares take us?**

This book is part of the Stepbrother Affairs series. Each title in the series is a standalone romantic short story of forbidden love.
