Human Rights in International Relations, 3rd Edition (Themes in International Relations) By David P. Forsythe

This third edition of David P. Forsythe's successful textbook provides an authoritative overview of the place of human rights in an age of upheaval in international politics. Human rights standards are examined at the global, regional and national levels, with separate chapters on transnational corporations and advocacy groups. The third edition has been completely updated to include the latest developments on terrorism and counter-terrorism, pro-democracy protests in the Middle East, disputed elections in developing countries, criminal courts and truth commissions, and applications of the laws of war. New sections have been added on subjects such as women's rights and new case studies have been added in each chapter which show how specific rights fare in contemporary political contexts. Containing chapter-by-chapter guides to further reading and discussion questions, this book will be of interest to all students of human rights and their teachers.

Editorial Review

Review

'The idea of human rights is so powerful that those who would violate it in the privacy of their torture chambers are compelled to swear fealty to it in global public discourse. David Forsythe draws our attention to the tension between personal rights and the workings of the interstate system in a world in which the human rights norm, including international humanitarian law, is ever more firmly established yet actual protections have come under growing stress in practice. The resilience of the norm has contributed to changes in the nature of state sovereignty. In this third edition of a well-regarded and well-established textbook, Forsythe continues his mission to clarify and update via an impressive, illuminating and engaging analysis of one of the most powerful political impulses of the contemporary era.' Ramesh Thakur, Australian National University

'The third edition of David Forsythe's Human Rights in International Relations maintains his reputation for excellence. I have found the first two editions to be essential teaching texts, very popular with my students, without which I could not cover the entire range of topics necessary in a comprehensive political science course on human rights. This edition brings students right up to date, with analysis of such events as the Arab spring and the Obama administration's actions with regard to Guantanamo Bay.' Rhoda E. Howard-Hassmann, Wilfrid Laurier University

About the Author

David Forsythe is Professor Emeritus of Political Science at the University of Nebraska, Lincoln. He has been a visiting professor at universities in Geneva and Utrecht and in 2008 he held the Fulbright Distinguished Research Chair of Human Rights and International Studies at the Danish Institute of International Studies, Copenhagen. He has also been on staff for the United Nations University in Tokyo and has been a consultant to both the UN Office of the High Commissioner of Refugees and the International Red Cross and Red Crescent Movement.

Users Review

From reader reviews:

Kevin Strickland:

As people who live in typically the modest era should be up-date about what going on or data even knowledge to make these keep up with the era that is certainly always change and make progress. Some of you maybe can update themselves by studying books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This Human Rights in International Relations, 3rd Edition (Themes in International Relations) is our recommendation to help you keep up with the world. Why, because this book serves what you want and want in this era.

Phyllis Greenfield:

In this period of time globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The healthiness of the world makes the

information easier to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The particular book that recommended to your account is Human Rights in International Relations, 3rd Edition (Themes in International Relations) this e-book consist a lot of the information on the condition of this world now. This specific book was represented how do the world has grown up. The dialect styles that writer use to explain it is easy to understand. The actual writer made some research when he makes this book. Honestly, that is why this book suitable all of you.
