Justice, Vol. 1 By Alex Ross, Jim Krueger

Comic superstar Alex Ross's epic adventure featuring the World's Greatest Super-Heroes vs. the World's Greatest Super-Villains -- now in paperback.

The Justice League of America is reimagined by fan-favorite painter Alex Ross (KINGDOM COME) and writer Jim Krueger (Earth X, Universe X) with pencil art by Doug Braithwaite (Paradise X) in this new softcover collecting the first four issues of the best-selling series!

The members of the fabled Justice League of America are about to learn they aren't the only ones who can band together toward a common goal. The greatest criminal masterminds of our time appear to be acting in concert -- but with a surprising plan that seeks to achieve more good than the JLA ever could!

Editorial Review

From [Booklist](#)

Justice is DC's current "event" comic. It brings together the line's biggest superheroes and is even more of an event because superstar artist Alex Ross (see *Mythology: The DC Comics Art of Alex Ross*, 2003) developed the story line and applies his ultrarealistic painting techniques to Doug Braithwaite's pencil drawings. Lex Luthor, the Riddler, and other villains share vivid dreams of Earth's destruction, which Superman, Batman, and the rest of the Justice League are helpless to prevent. To keep their vision from becoming reality, the fiends join forces to vanquish the heroes, in the belief that relying on supersaviors makes humanity vulnerable to apocalyptic events. Ross, a comics nostalgic, uses 1970s versions of the characters instead of their current incarnations, and that makes *Justice* accessible even for those who no longer closely follow DC comic books. The art isn't quite as effective as unalloyed Ross, for Braithwaite's more comics-traditional, stylized anatomy conflicts with Ross' lush naturalism. Still, Ross predominates, which will please the many fans who turn anything he touches into a best-seller. *Gordon Flagg*

From reader reviews:

Lola Paolucci:

As people who live in often the modest era should be up-date about what going on or details even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe can update themselves by reading books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This Justice, Vol. 1 is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Olive Wilson:

Spent a free a chance to be fun activity to perform! A lot of people spent their sparetime with their family, or their friends. Usually they performing activity like watching television, likely to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? May be reading a book is usually option to fill your free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try look for book, may be the guide untitled Justice, Vol. 1 can be very good book to read. May be it can be best activity to you.

Rodolfo Odum:

This Justice, Vol. 1 is completely new way for you who has attention to look for some information because it relief your hunger details. Getting deeper you in it getting knowledge more you know otherwise you who still having little digest in reading this Justice, Vol. 1 can be the light food in your case because the information inside this particular book is easy to get by simply anyone. These books acquire itself in the form which can be reachable by anyone, yep I mean in the e-book web form. People who think that in book

form make them feel drowsy even dizzy this e-book is the answer. So there is not any in reading a publication especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the item! Just read this e-book style for your better life as well as knowledge.

Travis Smith:

You can obtain this Justice, Vol. 1 by look at the bookstore or Mall. Simply viewing or reviewing it can to be your solve difficulty if you get difficulties for the knowledge. Kinds of this e-book are various. Not only by means of written or printed but in addition can you enjoy this book by means of e-book. In the modern era including now, you just looking from your mobile phone and searching what your problem. Right now, choose your own personal ways to get more information about your book. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose right ways for you.
