**Physician Assistant Review** By Patrick C. Auth MS PA-C

**Physician Assistant Review, 4th Edition** prepares students and practicing physician assistants for the certification (PANCE) and recertification (PANRE) examinations. This comprehensive text includes a review of the required primary care medical knowledge, while providing test taking and study strategies in a highly-organized format.

Each section, organized by body system, describes common diseases while covering etiology, pathology, clinical features, diagnostic studies and management. The text's companion website provides 1,000 board format questions to ensure your comprehension of the material. Complete explanations of your correct and incorrect answers help you better understand which areas to focus on while studying.

## New to this edition:

- New chapter on preventive medicine with a special focus on public health
- A component of emergency medicine is threaded throughout the book
- The latest standards of care and revisions based on our readers' feedback will keep you up-to-date
- An expanded, online test bank of one exam with 360-questions includes correct and incorrect answer rationales to focus your study
- Expanded surgery chapter (skin, endocrine, disorders of the breast, vascular disorders, gastrointestinal, genitourinary tract, disorders of bone, trauma, and nutrition disorders) to reflect NCCPA specialty examinations

### **Users Review**

#### **From reader reviews:**

##### **Malcolm Lee:**

Book is definitely written, printed, or highlighted for everything. You can know everything you want by a reserve. Book has a different type. As you may know that book is important matter to bring us around the world. Beside that you can your reading proficiency was fluently. A reserve Physician Assistant Review will make you to always be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think this open or reading some sort of book make you bored. It's not make you fun. Why they are often thought like that? Have you searching for best book or appropriate book with you?

##### **Marni Elliott:**

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The data you get based on what kind of publication you read, if you want attract knowledge just go with training books but if you want really feel happy read one with theme for entertaining including comic or novel. The actual Physician Assistant Review is kind of publication which is giving the reader capricious experience.

##### **Linda Henderson:**

This Physician Assistant Review is great guide for you because the content and that is full of information for you who have always deal with world and possess to make decision every minute. This book reveal it info accurately using great manage word or we can claim no rambling sentences included. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with lovely delivering sentences. Having Physician Assistant Review in your hand like getting the world in your arm, info in it is not ridiculous just one. We can say that no guide that offer you world inside ten or fifteen small right but this publication already do that. So , it is good reading book. Heya Mr. and Mrs. active do you still doubt that?

##### **Rhonda Silva:**

Reading a book being new life style in this season; every people loves to examine a book. When you go through a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you would like get information about your examine, you can read education books, but if you act like you want to entertain yourself read a fiction books, such us novel,

comics, as well as soon. The Physician Assistant Review will give you a new experience in studying a book.
