### SYNAGOGUE OF SATAN (Exposing The Two Most Dangerous Churches In Nigeria) By Nosa Ehanire-Osaghae

The accounts of all the events recorded in this book are exactly as the author experienced them both physically and spiritually. In other words, it is indeed a true story. The author has decided to change the names of the characters involved as the objective of the book is not to accuse and condemn people, but to expose the evil works of Satan and its demons in our churches especially in this endtime.

The book aims to shed more light on the evil ways through which the devil deceives, seduces, lures, ensnares and entraps unsuspecting Christians using its human agents who pose as men of God. That is why the true identities of the characters involved in this story are irrelevant for they are merely insignificant, tiny, puny puppets of the devil their evil puppet-master. Even if you labeled and ostracized them from Christendom, the devil will still raise up much more of such puppets to take their place in the churches hence we should focus more on how to identify them in our midst as the “wolves” in sheep clothing according to Bible prophecy pertaining to this perilous endtime that we live in today.

What is important is our endtime battle against the Antichrist’s deadly devices, wiles and lies of our common enemy, Satan the evil-puppet master whom the Bible says is definitely not flesh and blood.

(...For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places...Ephesians 6:12)
