### **Editorial Review**

#### **Review**

*The One-Minute Cure* contains thoroughly researched material that indeed offers compelling evidence of a veritable cure-all for all diseases. Unlike other self-proclaimed 'cures' promoted by others in the name of profiteering, the author clearly has no other agenda than to bring this hope of healing to every man, woman and child who's in need of it. ---- Cheryl Jeter, Alternative Frontier Newsletter

I've never been this impressed with any health breakthrough that has surfaced in the natural health arena in the last few decades. *The One-Minute Cure*, which is validated by volumes of irrefutable scientific evidence, may quite possibly be the panacea that we've all been looking for. I believe it's the definitive answer to the cause, prevention and cure of a great many diseases that plague the world today. --Mark Chancellor, Medical Journalist, Los Angeles, California
